HOW IT WORKS:

Whenever you fund your live account with \$500 or more, Moneta will give you a 50% Credits bonus, which appears in the Bonus Wallet on your Client Portal "Promotions - Cashback" page! Best of all, for every future deposit you make of \$500 or more, your bonus will automatically be credited to your Bonus Wallet, so you can keep earning more!

Claim your cashback. At the start of every new month, simply click "Redeem Cashback" on your "Cashback Wallet" and redeem the amount that is shown as "Cashback Redeemable".

You can payout this money or use it to increase your equity faster.

### Frequently Asked Questions

www.smartifytrading.com

#### Q: I do not see trades in my Copy Trading app yet.

A: We are only doing high quality trades to minimize risk. If you just started it can take some days before you see trades appearing.

In the weekend there are usually no new trades openend.

#### Q: I notice that some trades are in profit. Should I take any action

A: No, there's no need to intervene. The Smartify Trade solution automatically manages your trades, ensuring they are closed at the optimal profit by continuously evaluating the best closing strategy.

#### Q: I see a small amount of swap costs in the weekend. What is that?

A: Trades are done with leverage to maximize the profit that can be made. It's like a loan with interest to hold the position.

The swap fee is the interest you pay while the trade is still open in the weekend. The swap costs are marginal compared to the trade profits being made.
